

Questions to ask your Aesthetic Breast Surgeon

- 1 How often have you performed this procedure?
- 2 What are the risks involved with this procedure?
- 3 Are there any recommended alternatives to this procedure?
- 4 Will you be performing my procedure? If not, who will?
- 5 What does postoperative treatment look like?
- 6 Do you have any before and after photos of patients I can view?
- 7 What is the downtime associated with this procedure?
- 8 How have you handled complications from procedures in the past?
- 9 Is an internal bra suitable for me?
